**:: LOCAL CURRENCY**

Local currency in Serbia is Serbian dinar (DIN). Exchange rate: 1 EUR - 100 DIN. Please withdraw or exchange some small amount of EUR for dinars already in the airport because you cannot pay in Euros in Belgrade. It is safe to change your money in all the official exchange offices in the city, and all of them have almost the same exchange rate.

**:: TRANSFER FROM THE AIRPORT**

Public transport

The cheapest way to get from the Belgrade's "Nikola Tesla" Airport to the city centre is by **bus No 72**. It goes every 32 min from the airport to Zeleni venac station (every day from 5:20am to 00:00). Ticket costs 100 din (1 EUR) and you can buy it from the driver in the bus. Ride lasts for about 30-40min.

Serbian: "Jednu kartu, molim" (One ticket, please)  
"Hvala" (Thank you)

JAT Airways bus shuttle

For more comfortable transfer to/from Belgrade airport, JAT Airways offers shuttle bus service – **JAT Airport Express**. The bus serves the route between Belgrade "Nikola Tesla" airport and Slavija square in the city centre. Buses depart every day from the airport at 7, 9, 11, 12, 13, 14, 15, 16, 17, 18, 19, 21h (almost every full hour) in front of the airport exit. Tickets can be purchased from the bus driver and they cost 250 din (2.5 EUR). Payment only in cash and only in dinars. Ride lasts for about 30-40min.

Taxi

Taxis to the city centre cost around 15 EUR (start is 129 din, and every km 49-64 din). We suggest using **Beogradski taxi** (<http://www.beogradski-taxi.com/>). Do not accept any offers from the taxi drivers stalking you at the airport. Please ask from the information desk to help you with the taxi services.
